

CUSTOM PROMOTIONAL VIDEOS

Tell the story of your brand online with custom promotional videos. It's the fastest growing medium online with millions of videos being uploaded every day. When executed correctly, a video can beat any other medium as a way to relate brand value proposition, explain products and services, and create interest and demand.

Media Pro USA offers a variety of different types of videos:

Customer 2D and 3D animation: These 2 minute videos are a perfect way to explain what you do, and why you do it better than the competition.

Promotional Videos: A personalized 1 minute video that can be embedded on your website or social media platforms using green screens with live actors or voice over actors.

Broadcast Video: Using live actors, a "news set" and a great script, this video is perfect to relate company news and success stories.

Testimonials: Remote camera crews and post-production effects will be used to video your customers as they evangelize your brand
