

EMAIL MARKETING SOLUTIONS

Staying in front of our customers and prospects is the best way to gain mindshare and wallet-share. Email marketing is still, by far, the most effective (and cost effective) form of direct response marketing available to most enterprises and SMB's. Media Pro USA uses a sophisticated Marketing Automation Platform to automate and deliver email marketing campaigns.

Effective email marketing campaigns take time to create and execute.

Whether we develop the emails or simply manage the distribution, Media

Pro USA can handle the entire campaign for you. As your outsourced email marketers, here's what we can deliver:

- Campaign strategy
- List acquisition, scrubbing and management
- Creative design and development
- Campaign automation and management
- Landing pages
- Trigger marketing
- Content development and writing
- CRM integration and Lead Scoring
- Full analytics reporting

Keep your sales funnel full with Media Pro USA Email Marketing Campaigns.
