

WHAT WE DO

FRONT OF THE HOUSE

DIRECT CUSTOMER SALES AND CONSULTING

We're an independent telecommunications consulting firm. We review, design, advise, make recommendations, implement manage and facilitate all that we touch related to voice and data networks, services, hardware and contracts.

BACK OF THE HOUSE

MASTER TELECOM AGENCY FOR VENDORS

We're the glue behind the scenes to over 100 equipment and data VARS nationwide. We are their outsourced carrier services department providing their end-customers with network solutions and customer service.
